RX VALET Insulin Program

RX VALET's Insulin Program offers high-quality brand and generic insulins at extremely affordable prices, provides a convenient online portal to help you manage your diabetes, and offers the best-in-class service available.

Our flat-rate solution provides a one-stop-shop path for your insulin needs and medications that are typically associated with diabetes. This approach allows us to offer one-flat-rate on all of our insulin, no matter the brand. Now you don't have to shop around to find the best deals!

PRICES STARTING AS LOW AS	\$94⁹⁹_{MO}*	-INSULIN -SERVICE -SHIPPING
----------------------------------	----------------------------------------	--------------------------------------------

Don't delay! Get monthly insulin fills at great prices delivered safely and securely to your home. Prices like these won't last forever. Order your insulin now!

Check out these examples: these three members have different needs, but they are all paying a great price with the RX VALET Insulin Program:

- Customer 1 uses 2 boxes of NovoLog® FlexPens every month and pays only **\$168.99***
- Customer 2 really prefers using Humalog® Vials (3 per month) and only pays **\$114.99***
- Customer 3 only needs 1 box of Humulin® R-500 KwikPens a month and pays **\$94.99***

*Up to 3 vials or 3 boxes of pens per month, mixed or matched. In order to receive this flat-rate, you must fill your insulin prescriptions at the same time together, each month. Home delivery includes 2-day shipping with temperature controlled packaging and secure delivery via signature. Pricing includes shipping and handling charges.

Call or visit us to lock in these great rates today! Prices subject to change without notice. This program cannot be combined with insurance.
