## Product Highlights

### Same-Day Appointments

The average in-person wait time is around 18.5 days. Avoid long waiting rooms or delayed visits - get same day appointments for the care you need when you need it most!

### 24/7 Access to Care

Our physician network is available 24/7, 365 days of the year with members experiencing an average of only 9 minutes wait time to speak with a physician.

### See Promising Results

Nearly all (86%) of our members see improvements from Virtual Behavioral Health and say they have boosted their productivity both at home and work.

### Fast Mental Health Treatment

Seeing a Mental Health professional in person typically means waiting an average of 26 days before getting care, with Recuro you only wait about 48hrs for your appointment.

### Same-Day Prescriptions

If your physician determines that you need a prescription, they will send it to your preferred pharmacy on the same day as your appointment when possible.
